The Countryside Touchdown Club will once again be putting together a program book for the Varsity Home games, JV Games & Playoff's the Cougars will play  
(One book for the entire season printed in Black & White on High Quality Paper).

Community support plays a big part in helping Cougar Football compete with other Tampa Bay area teams in central Florida. Remember that all monies raised from program sales goes right to the TEAM for items such as equipment, travel, under privilege players, pre-game meals, Cloth, Scholarships, Psychicals, Banquet's & etc.

We are seeking program advertisers and are asking for your cooperation as we work to put together a first class program for the 2008 season. Having your name in front of local residents is a great way to generate sales and to demonstrate your organization "gives back to the community".
