Dear Business Owner:

The 2010 football season is underway! The Players, Coaches, School, Parents & Booster Club are extremely enthusiastic about this upcoming season for the Countryside Cougars.

In 2009, The Countryside Cougars were district champions of North Pinellas County and were the only team in Pinellas to make it to the third round of the State Regional Playoff's! The Cougars overall record for the 2009 season was 13-2!! With your help and support, we hope to do even better in 2010!

My name is John Schroeder and I am the Booster Club President for the Countryside High School Football Team. The "Countryside Touchdown Club" would like to offer you a unique way to help our players, while in return, provide your business the opportunity of attracting new customers, developing a relationship with our local community, and increasing your sales.

The "Countryside Touchdown Club" will once again offer local businesses the opportunity of advertising through Business Signs on display inside the Countryside High School Football Stadium for **1 Full Calendar Year**, from when it is placed in the stadium. These signs are 2 x 3 up to 4 x 8 in size, made out of coroplast material and in Full Color! We can customize your sign so that your business' logo and contact information is very easily seen by all visitors to the following sports/events held in our stadium throughout the year: Varsity Football, JV Football, Soccer, Flag Football, Track and Field, Lacrosse, Youth Events, Girls Powder Puff Football and Band Events. Within a calendar year, your sign will be seen by over 35,000 local residents and visiting guests who attend these events.

No other sport can offer you that kind of exposure!! No other form of advertising allows your business to be seen as a local supporter in the community.

All money raised from these sign sales **goes right to our TEAM** for items such as: Equipment, Underprivileged players, College Placement, Traveling, Physicals, Pre-game Meals, and Banquets, just to name a few. Considering the level and intensity of local and regional competition, your support will play a major part in helping Cougar Football compete with other Tampa Bay area high school teams.

Having your business' name in front of local residents and visiting guests, year round, is a great way to generate sales and demonstrate that you and your business gives back and supports our community.

Please contact us today to reserve your business sign, as only **25** slots are available for the 2010 season.

Thank you,

John Schroeder, President
